A Note for Parents

Welcome to **GeniusKite Kids' Christmas Break Puzzles and Activities**. This screen-free Christmas activity book is written for children in grades 2 and 3 (ages 7 to 9). Meet the GeniusKite mascots: **Pip** the owl and **Kite** the bird — they cheer you on through holiday mazes, codes and Catch the AI Mistake.

Inside you will find holiday mazes, gift-sorting logic, Christmas word games, secret codes, a 12 Days of Christmas Break countdown, brain games and cozy drawing pages. Sections move from a **Warm-up** to **Level up** to a **Challenge** where leveled.

On the **Catch the AI Mistake** pages (holiday edition), Bolt the robot shares confident winter "facts," and some are wrong. Kids check each claim, fix the mistakes and practice: *check the answer, even when it sounds sure.*

This book is for joyful practice over winter break — a stocking stuffer and quiet-time companion. It is not a test and it does not replace family time, outdoor play or rest.

Tips for using this book

- Try a maze with morning cocoa or an evening by the tree.
- One or two pages work well while waiting for guests.
- Use the 12 Days pages as a gentle December countdown.
- Check answers together from the Answer Key near the back.
- Talk about real holiday plans after a puzzle — cookies, cards or a walk.

Have fun together!
